

Richard B. Vorick Lifelines Scholarship

2020-2021

It was the vision of Mr. Richard Vorick for students to learn more than Math, Science, and Social Studies during their time at Hickory Center. He believes that children should also learn how to treat people right and do the right thing. This was accomplished by introducing vital Lifelines that are taught and emphasized monthly at Hickory Center. By using the Lifelines, Mr. Vorick was able to help students learn important skills that would not only help them navigate successfully through their elementary education, but all throughout life.

*We want to give past Hickory Center students the chance to earn a scholarship by explaining how the **Lifelines** learned at Hickory Center have been used in their lives, relationships, education, and community.*

Specifics and Requirements:

- **Scholarship amount - \$500.00**
- **Due Date – Friday, April 30, 2021 – Dropped off in Guidance Office or emailed to sally.gerber@nacs.k12.in.us**
