Saturday August 5	Fall Preview at Prairie View Activity bus leaves CHS at 9:30 AM. Shotgun start at 1 PM.	No practice for JV.

- Registration is usually not an issue with the times of our matches and practices but please keep it in mind so you don't miss out.
- I will be sending an itemized schedule for each week on the Friday before to help with your scheduling of pick up times.
- This is a HUGE commitment. However, I do understand as a parent that unforeseen circumstances do arise. **If your daughter cannot make a practice then the PARENT must contact me.** For liability reasons I have to make sure parents know their child is not at practice. Thank you for your cooperation on this matter.
- PULL CARTS... IHSAA does allow pull carts for golfers. HOWEVER... AWAY matches with Varsity and JV we will NOT be able to use pull carts unless you have parents bring them because of the lack of space in the activity buses. So please plan ahead if you want them for away V/JV matches. HOME matches can always use them because we don't take a bus :-)
- The schedule can change at times due to unforeseen circumstances with the golf courses. We are at the mercy of the courses as they are working to make money. We are very fortunate to have minimal expenses with the golf courses. Please show your appreciation to them throughout the season. They love to hear our appreciation. ☺
- **Reminder to parents that when watching your daughter during a match the rules require spectators to be 30 feet from the golfers and NO communication is allowed.** NO help with rules, how to play a shot, or help with a swing!!! We do encourage the praise and you are encouraged to help ALL golfers search for golf balls. Once you point out a ball then the parent needs to return to the 30 foot distance. At no time should a parent pick up a ball to identify it. Only the golfer can positively identify a ball. Thanks in advance for showing your support! Even if your daughter doesn't like you watching ☺
- **TWITTER...** don't forget to sign up and follow **Chargergolf** on twitter for updates and results during each round...
- **Once school starts the girls will need to find rides to Autumn Ridge.** Getting the girls to the course can sometimes be a challenge. I will be asking all the girls about rides after school to make sure everyone is good to go... If you need help, please ask me!
- **Again if you have any further questions on anything, please ASK ☺**
- We will have another fundraiser this fall to help with next year costs. This year will be **\$165** to cover the uniform and other expenses we have throughout the season. This will be payable at our Fall Kick-off night along with the **\$30** transportation fee. August 4th at 6:30 pm in the CHS Football Stadium (weather permitting) **At least 1 parent MUST attend.** Those who were on the team last year and did the fundraiser, you will get a slip of paper with any remaining balance minus what you fundraised.
- **Activity Bus-** CHS Athletics requires ALL players to ride the Activity Bus **to and from** matches. During "COVID" this was not required. Those times have passed and will be required. This is a great time to talk about the round and "bonding" time among the team.
